Sir:

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.

On the front face of the patent:

The line reading “(73) Assignee: Toray Industries, Inc., Tokyo (JP) “ should read -- (73) Assignee: Toray Industries, Inc., Tokyo (JP) and National Institute of Agrobiological Sciences, Ibaraki (JP) --

The application was assigned to both Toray Industries, Inc. and National Institute of Agrobiological Sciences, as evidenced by the Patent Assignment Abstract of Title available on PAIR. Therefore, the error was not in the application as filed by applicant; accordingly no fee is required.
